

## **Monsoon Magic in Southeast Arizona with Ken Blankenship & East West Birding Tours Five Day Home-Base Group Tour      August 20-26, 2023**

Join Golden Gate Audubon Society and East West Birding Tours during the peak of SE Arizona's famous "Second Spring" — the Monsoon Rain Season!

Hummingbird numbers and diversity are at their highest... White-eared, Berylline, Anna's, Costa's, Violet-crowned, Rivoli's, Broad-tailed, Lucifer, Broad-billed, Black-chinned, Calliope, Rufous, and Blue-throated Mountain-gem are all possible! Late breeders are singing and conspicuous: Five-striped Sparrow, Botteri's Sparrow, Varied Bunting, Sulphur-bellied Flycatcher, Cassin's Sparrow, and much more! Many of our local and migrant breeding birds use the bounty brought by the rains to raise a second brood. Huge agave stalks are in blossom, the grasslands green up, and wildflowers abound.

### Included

- ✓ 6 nights of lodging at Ramsey Canyon Inn
- ✓ 5 full days guided birding and interpretation by Ken Blankenship
- ✓ 15 passenger van for maximum 8 participants (to provide room for luggage, gear, and elbow room)

## Transportation

East West Birding Tours will provide transportation during your tour. You are responsible for getting yourself to Tucson, and we highly recommend flying into the Tucson International Airport. It's easy to be tempted by the prices for Phoenix Sky Harbour, but it's not worth the time and miles on the road.

## Covid-19

Please provide proof of Covid-19 vaccinations for every participant to EWBT a minimum of two (2) months prior to the start of your tour. We will be keeping an eye on Covid-19 precautions by the government, but please ensure you bring a mask with you on this tour.
