Desert Cottontail

Ring-necked Duck in a freshwater pond

Greater Roadrunner
indeed it was in the
road.

Palm Deserts 2020 with Nature Trip

Joshua Tree National Park and the iconic tree

An Oasis
experience

Palm Deserts 2020 with Nature Trip

Sorting through gulls during strong winds.

California Gull on the left, Black-headed Gull was a lifer for many and Bonaparte's Gulls were plenty at the North part of the Salton Sea

Long-eared Owl

Viewing the Owl
